Search Topic:

Please write a detailed statement of search topic. Describe specifically as possible the subject matter to be searched. Define any terms that may have a special meaning. Give examples or relevant citations, authors, keywords, etc., if known. For sequences, please attach a copy of the sequence. You may include a copy of the broadest and/or most relevant claim(s).

Please search:

- I.) A method of treating High Altitude Pulmonary Edema (HAPE) comprising administering glucose t/or sucrose.
- II.) A method of treating HAPE comprising administering foods which are selected to promote a change in bicarbonate concentrations in pulmonary arterial blood plasma from the arterial end to the venous end of a pulmonary capillary.
